New Delhi: Brilliant Tutorials has teamed up with CL Educate for providing services to students to help them in preparation of competitive examinations in the Northern and Eastern India region.

As per the agreement, while the academic research and practices come from Brilliant Tutorials, Career Launcher will be responsible for the delivery of services across this geography.

"One of the guiding principles that I have used is to look for a partner who would help us nurture the future generations of young aspirants just as Brilliant has done," Brilliant Tutorials Managing Director Vasanti Neelakantan said in a statement.

Of the 40,000 plus students that Brilliant Tutorials currently services, over 8,000 students belong to this geography.

Commenting on the tie-up, Satya Narayanan, Founder and Chairman of CL Educate, said "We believe that the brand virtues that BT brings can help us do wonderful work with students across the country".
